

## ***Information for Parents – School Opening***

## ***Quick Guidance***

If your child or anyone in your household has a coronavirus symptom – You must stay at home.

Please notify the school of any positive tests for a child so that we can take swift action.

If your child has a symptom in school – you must collect them quickly and arrange a test. If the test is positive, we may have to close your child's class for 14 days to ensure we do not spread the virus.

Hand sanitiser stations are available at all entrance points.

Please follow the school one-way system – Please apply social distance rules.

School office is one family at a time – please phone the school with queries instead.

Medical appointments should be in the afternoon as it is advised you do not return to school afterwards.

Home dinners- not permitted in the Autumn term / children to stay with their class.

If your child forgets their lunch, we will provide a school lunch / packed lunch

Dinner money – drop in the box only / we cannot give change at this time we will carry forward balances.

No breakfast club (this is under review so please give your name to the office if you need it)

Parents must not enter the classrooms – Please stand back as your child enters school. Do not gather in groups and try to leave prams at home so pathways are clear.

If you travel abroad, you must notify the school upon your return and we will let you know when you can return to school.

Children should wear uniform and we will advise you which day they should wear PE kit, so that they do not need to change in school in different rooms. Uniform needs to be clean and changed regularly. We will not be calling you to get PE kit delivered – children will miss their session if they do not have the correct PE Kit on.

Children can only bring lunch and a drink from home – no pencil cases, books, no scooters etc

Children must abide by the new behaviour rules in order to keep them and others safe – any child who chooses to risk anyone's safety may need to be collected.

Children should not be wearing face masks on the school site. Children can bring their own hand gel as long as they use it correctly.

Visitors and children may have temperatures taken when they arrive on site.

Additional cleaning of resources and hands will take place throughout the day.

Children should walk or come by car (Buses should be avoided) Cycle if the distance from school warrants it.

A year group at a time will eat in the hall sat in class group / some classes will get grab bags and eat lunch in class to ensure we are abiding by social distancing rules.

No large gatherings – only one year group at a time in the hall for assemblies etc
