Travelling to and from School

- Children, young people and parents are **encouraged to walk, come by car or cycle (if the distance warrants this) to school** where possible, before using public transport.

- **If travelling by public transport:**
 - Check website or live bus app for revised timetables before travel.
 - Try to keep 1 - 2 metres away from people not in your household while waiting in the queue.
 - Carry and use hand sanitiser.
 - Wear a face covering (if you are the adult travelling with the child/ children).
 - Face away from others.
 - Minimise the surfaces that you touch.
 - Sit in the window seats, leaving the seats in front and behind empty if you can.

You should do all you can to help make sure you and others can travel safely.

Please remember to only use public transport if it is absolutely necessary.
