SCHOOL

School has been very busy with lots of trips for new topics! Year 5 had a fantastic day at the Black Country Museum and the behaviour of the children was exemplary. They had a good look around what life used to be like and took part in some great workshops.

Year 3 had what the children described to me as the 'perfect' day at Cadbury World on Friday. Year 3 Report - *To start our Scrumdiddlyumptious topic we visited Cadbury World. Before going on the trip we learnt about the history of Cadbury and began thinking about the impact they had on Bourneville. While on the coach we saw Bourneville Village and found some historical pictures of the village when it was first built.*

Throughout the day we spoke with experts about the history of chocolate, how it is farmed and how Cadbury have created a brand. After a day of questioning, tasting, smelling, and creating we all agreed that the day had been perfect!

Today in school we had a special visitor – Perry the Commonwealth Games Mascot came to visit us. Over the rest of term we will begin to look at some of the commonwealth countries and children will take part in lots of sports.

ATTENDANCE AND PUNCTUALITY

School Attendance for the year so far is 92%. This is lower than our target figure of 97%. We must continue to improve this together.

20 and 5C won the Class Attendance Bears and prize for this week. Well done to 3M and 5G for having attendance over 97%

Please ensure that your child attends school every day unless they are unwell.

Remember children will be working towards a special summer activity as their reward for improving their attendance and keeping their attendance over 97% in the summer term.

Let Your Light Shine Matthew 5:16
