SCHOOL

Children are fully immersed in their topics and some new events have also started happening across school. This week children have been taking part in designing and making a huge mosaic for the front of school – everyone is taking part and it is really looking very good! Zaina in Year 3 was inspired by her Rocks, Relics and Rumbles project to work on a family project at home! It is superb and shows off her learning rather brilliantly!

A group of Year 5 children went to Aston Villa earlier this week to take part in some STEM workshops – this is to encourage learning in Science, Technology, Engineering and Maths. They had a brilliant time and came back with lots of new knowledge as well as feeling like they improved their fitness!

On the last Sunday in January, the school Choir led by Miss Jacobs, all met to perform at Church. We had a brilliant morning and the children sang beautifully. Father Wayne also had some readings and

Shalom and Halina did superbly well with no rehearsal! We look forward to arranging an Easter visit so that the children can shine again and next time we will be bringing cake! We have one more week until half-term – hopefully we can squeeze in some more fun! Please follow us on twitter to see what is happening in school. @stjamesb21
